

KNOX RESOLUTION IS PASSED BY SENATE

FIRST STEP IS TAKEN TOWARD ESTABLISHING PEACE WITH GERMANY

Senator Lodge Tells Senate That Treaties Will Follow Resolution --Democrats Attack Measure --League Of Nations Spectre Also Parade In Review.

(By The Associated Press)
WASHINGTON, April 30.—The administration's first step toward placing the United States on a technical, legal basis of peace was taken tonight by the senate in adopting the Knox resolution.

Three Democrats voted for the resolution and altho no Republicans voted against it, Senator Nelson of Minnesota was paired against it. The Democrats voting for it were Senators Myers, Montana; Shields, Tennessee; and Watson, Georgia. Two other Democrats, Reed, Missouri and Walsh, Massachusetts, were announced as favoring the resolution.

The resolution now goes to the house with prospects of prompt action there. No change was made by the senate in the resolution as reported by the foreign relations committee. It would repeal the war resolutions affecting Germany and Austria-Hungary, impound alien enemy property, and reserve to the United States all rights and privileges under the treaty of Versailles and other peace treaties.

An effort to amend the resolution made by Senator Townsend, Republican, Michigan, who moved to strike out the clause repealing the war declaration and substitute a simple declaration of peace, was defeated, 44 to 26, shortly before the final vote.

Senator Lodge, inaugurating debate for the day told the senate that treaties with Germany and other nations with which the United States had been at war, would follow the Knox resolution. He also gave notice that the United States would not "abandon" the allies.

Substitutes for the Knox resolution prepared by Senator King, Democrat, Utah, were not offered. Mr. King said the Republican majority appeared determined to support the original resolution.

The vote on the peace resolution did not come until after 7 o'clock tonight and was preceded by tense partisan clashes. The Republicans lined up almost solidly behind the measure and all but five Democrats voted or were paired against it.

The roll call follows:

For adoption:

Republicans — Ball, Borah, Brandegee, Bursum, Cameron, Capper, Colt Cummins, Dillingham, Elkins, Fernald, France, Frelinghuysen, Gooding, Hale, Harrell, Johnson, Jones, (Washington); Kenyon, Keyes, Ladd, LaFollette, Lenroot, Lodge, McCormick, McKinley, McNary, New, Nicholson, Norbeck, Norris, Oddie, Penrose, Poindexter, Shortridge, Snodgrass, Sutherland, Stanford, Sterling, Sutherland, Townsend, Wadsworth, Warren, Weller and Willis. Total 46.

Democrats — Myers, Shields, Watson (Georgia). Total 3.

Against adoption:

Republicans — Ashurst, Broussard, Caraway, Dial, Gerry, Glass, Harris, Harrison, Heflin, Hitchcock, Jones, (New Mexico), Kendrick, McKellar, Pittman, Pomeroy, Robinson, Sheppard, Stanley, Swanson, Trammell, Underwood, Walsh (Montana), and Williams. Total 23.

Senator Reed was paired in favor of adoption and Senator Walsh of Massachusetts, who was absent, was announced as a supporter of the resolution. Senator Nelson, Republican, Minnesota, was paired against the resolution with Senator Knox for it. It was announced that all other Democrats not voting opposed the measure and all other Republicans favored it.

Peace League Specter Paraded

In the final clashes today, the league of nations battle was fought anew. Senator Borah declared President Harding had "scraped the league with the approval of the American voters. Democratic senators denied that the last election was a decision against the league of nations.

Senator Borah charged that the treaty was not being executed and that the allies in fixing German reparations were acting without authority from the treaty. This statement brought sharply from Senator Hitchcock, who declared Senator Borah was primarily responsible for America's lack of a voice in the peace settlements.

SPANISH PAPER SAYS CURRENT OPINION IS MENACE TO WORLD

Believes That Monroe Doctrine is Being De-naturalized

(By The Associated Press)
MADRID, April 30.—The charge that current opinion in America is dangerous to the peace of the world is made in an editorial printed by La Libertad today on Spanish-American relations. The newspaper says: "No one who is an average observer, reading the news of happenings in the United States can deny its existence.

Publicists and champions of the new imperialism there are fostering this tendency of the North American mind to proclaim itself the mandatory and executor of all kinds of provincial designs. They are making the superiority of their race over all other races into a dogma and are preaching the necessity of organizing a military and naval power which shall become an arm for performing tasks confided to them by God.

"These ideas of domination are those which guide those men in Cuba, Santo Domingo, Mexico and Panama and nullify thru their deeds and conduct the immense moral value of Washington and Lincoln's work and denature the Monroe doctrine, transforming what was the liberating cry of 'America for Americans' into a scheme of slavery and vassalage."

MAKES ATTACK ON NATIONAL DISABLED SOLDIER'S LEAGUE

Alleges it Was Organized Purely for Political Purposes

(By The Associated Press)
WASHINGTON, April 30.—Suggesting that a congressional investigation might be necessary as to the financing and conduct of the National Disabled Soldiers' league, whose executive council he said, has included at one time or another, Secretary Hoover, Thomas L. Chabourne of New York; Rabbi Wise, Professor Irving Fisher and other prominent men, Representative Royal Johnson, Republican, South Dakota, a former service man, rose in the house today for what he said was the "unpleasant duty of unsparring criticism."

Organized "purely for political purposes during the last campaign," he said, the league had a "set of self-elected officers into whose pockets go 50 cents out of every dollar, milked by it from wounded men of the late war," as well as money collected from the general public.

STREET CAR STRIKE IS AVERTED

Detroit, April 30.—A street car strike in Detroit was averted, for the next week at least, by an agreement reached this evening between officials of the local street car men's union and officials of the Detroit United railway. The men will remain at work under a reduced wage schedule, until May 7; their officials are to explain in detail the wage plan offered by the company, and another referendum will be taken by the workers.

STUDENT DIES AS RESULT OF BALL GAME

Quincy, Ill., April 30.—William Samuel, Lewistown, Mo., high school boy, died last night as the result of injuries sustained when he was struck in the temple by a thrown ball during a high school game there last Thursday. The injured youth did not regain consciousness after the accident.

POLAND SHOWS GRATITUDE TO AMERICA

Washington, April 30.—An official dispatch today to the Polish legation from Warsaw said a general manifestation of gratitude to America for her aid to Poland occurred yesterday in Cracow. Masses were said in all churches and at all schools one hour was devoted to lectures on America.

WAGE REDUCTION IS ORDERED BY CHAIRMAN BENSON

Reduction of 15% to Become Effective at Midnight

(By The Associated Press)
WASHINGTON, April 30.—Just one concrete result came today out of a series of conferences here looking to a settlement of the wage dispute between the American ship owners, the shipping board and the marine workers. That was an order by Chairman Benson to all operators of government merchant craft to reduce wages 15 per cent, effective at midnight tonight.

Apparently none of those participating in the conference was prepared to say what would be the effect. W. S. Brown, president of the Marine Engineers' Beneficial association, said the engineers had been instructed not to sign any articles calling for wage cuts, while Andrew Furuseth, president of the International Seamen's union, said members of his union had voted against signing such articles.

Chairman Benson's order came while President Harding and his secretaries of labor and commerce were consulting on the advisability of appointing a commission of three to mediate the controversy. The suggestion that such a commission be named was made by the union representatives, who agreed to abide by its award. It was supported by Secretary Davis.

Mr. Furuseth and M. Bown were hopeful tonight that the commission would be appointed and a suspension of work by the marine employees averted. On the other hand, shipping board officials declared Chairman Benson was opposed to mediation by a commission. His position has been that at least a 15 per cent wage reduction was necessary.

At the White House late today, it was said that the president did not intend to appoint any commissioner, but that such a body might be named by Secretaries Davis and Hoover, in whose hands, it was stated, the whole matter had been placed.

The wage reduction will apply only to government employees on ships. It was stated that even if the men refused to sign up at the new scale there would not be an immediate general tying up of shipping on the Atlantic, Pacific and Gulf coasts by reason of the fact that many vessels are at sea and the men must serve until they are brought to port.

Shipping board officers said they had laid plans to keep the government fleet in operation in event of any walk-out by the present crews.

Labor department officials estimated a general tying up of American merchant ships would result in a loss of approximately \$1,000,000 a day, figured on the value of the craft. On the other hand, it was said that the government might save money if the ships did get tied up, because many are being operated at a loss under present economic conditions.

HEAD OF MACHINISTS TO STUDY CONDITIONS

President of International Machinists Sails to Study Conditions in Europe First Hand.

Washington, April 30.—William M. Johnston, president of the International Association of Machinists, will sail from New York Wednesday to "study at first hand" conditions in Western Europe, Italy and Russia. In making this announcement today, Mr. Johnston said he expected to devote two months to the tour he has planned for the purpose of bringing about a May Day revolution in the United States. The mine workers' union, he said, was opposed to any suggestion of the kind.

Copies of the circular he said, had been furnished the department of justice.

COMMUNIST CIRCULAR APPEARS IN HOUSE

Washington, April 30.—Representative Foster, Republican, Ohio, displayed in the house today a communist circular, which he said, had been circulated among unemployed miners in his state, urging them to join a communist organization for the purpose of bringing about a May Day revolution in the United States. The mine workers' union, he said, was opposed to any suggestion of the kind.

Copies of the circular he said, had been furnished the department of justice.

DEMOCRATS FORCE THRU AMENDMENT TO REDUCE ARMY

Cut Enlisted Force to 150,000 Men But it May Not Stand

(By The Associated Press)
WASHINGTON, April 30.—Holding a solid front against a Republican split, Democrats forced thru the house today an amendment to the army appropriation bill cutting down the enlisted force to 150,000 men. The Kahn proposal for a bigger force never got to a vote.

The bill as approved by Secretary Weeks, made provision for 168,000 men.

There was no certainty that the 150,000 figure would stand, for the vote was in committee of the whole and the house may demand a separate vote on the amendments in passing the bill next week.

The amendment for deduction of the enlisted strength to 150,000 offered by Representative Byrnes, Democrat, of South Carolina. Only two Democrats opposed it and many Republicans gave it their support. The vote was 109 to 82.

Previously Adopted Substitute.

The house previously had adopted as a substitute for the Kahn proposal an amendment for an army of 156,000 but the Byrnes amendment went thru, and wiped it out.

Representative Mondell, of Wyoming, Republican leader, in closing debate urged Republicans to stand by the bill as framed by the appropriations committee, with its enlisted total of 168,000 but many deserted him as the march was started down the aisle for an actual count.

Chairman Kahn of the military affairs committee pleaded for at least 175,000 men, declaring the times too troublous for wholesale slashing of forces. Representative Wood, Republican, of Indiana, replied that if the world was on the verge of a fire a few thousand extra men could not put it out.

GOVERNMENT WILL AWAIT OUTCOME OF COUNCIL SESSIONS

Further Move by United States May Not be Necessary

(By The Associated Press)
WASHINGTON, April 30.—The next move in the reparations controversy so far as the American government is concerned will await the outcome of the sessions of the supreme council which began today at London.

The allied governments have been acquainted with the American point of view as a result of conferences Secretary Hughes has had with the diplomatic representatives of those governments. Briefly stated, this view is that Germany must pay to the limit of her ability but that the imposition of such terms as would prevent her economic recuperation should be guarded against.

This is in entire accord with the views of the allies, officials said today, pointing out that Premier Lloyd George had repeatedly stated that the future of British trade depended upon the industrial recovery of Germany.

Events may so shape themselves, it was said today, that a further move on the part of the United States will be unnecessary. Should the supreme council decide that the German proposals are of such a character as to form the basis for renewed discussions, it was explained that it would not be necessary for the United States to transmit the German offer to the allied government.

Predict Some Further Movement

If the supreme council decides that the offer is unacceptable even as a basis for negotiations, it is understood that some further move by the American government might be expected. What officials have in view in this event is carefully withheld.

It had been thought that a reply to Germany would go forward by tonight, by reason of the expected move of French troops in additional German territory tomorrow. It is stated, however, that adoption of these further measures to enforce payment of the indemnity would not close the door to further negotiation.

President Harding and Secretary Hughes are giving close attention to the whole situation, but it was indicated today that they did not look for further development before Monday. They conferred today but it was made known that the conference had to do with other matters, indicating that there had been no developments of moment since cabinet discussion yesterday.

ARREST THREE WHO ARE THOUGHT TO BE COUNTERFEITERS

Believe Nip Plan to Flood Northwest With Bogus Currency

(By The Associated Press)
CHICAGO, April 30.—With the arrest of three persons here, one a woman, and one in Milwaukee, secret service operatives were confident today that they had frustrated a conspiracy of a counterfeiters ring to flood the northwest with bogus currency.

These arrested here today were Joseph Lipke, Mrs. Gertrude Lipp and John Brook, Steve Benasaka, alias Steve Gable, was arrested in Milwaukee yesterday.

Two other men are being sought in Milwaukee. They are said to possess a complete set of plates for printing bogus bills.

DR. SIMONS REPORTED TO HAVE RESIGNED

Paris, April 30.—A semi-official note issued in Berlin states that Dr. Simons, the foreign minister, tendered his resignation to President Elbert, but the latter refused it, says a despatch today. The president, the note says, told Dr. Simons that the cabinet and the Reichstag had approved his reparations proposals.

SHARP DIFFERENCES OF OPINION ARISE IN ALLIED COUNCIL

England and Italy Are Arrayed Against France and Belgium as to the Method of Enforcement of Reparations—Take Issue with France as to Occupying Ruhr Region

(By The Associated Press)
LONDON, April 30.—A sharp difference of opinion between the French, on the one side, and the British and Italians on the other, arose this afternoon at the meeting of the supreme council to consider enforcement of the treaty of Versailles, and steps to be taken to enforce payment of the reparations by Germany.

Premier Briand of France, who had the support of M. Jaspard, the Belgian foreign minister, made a strong fight for the Paris plan, which includes immediate occupation of the Ruhr region of Germany, while Premier Lloyd George and Count Sforza, the Italian foreign minister, brought up new proposals under which the conference should decide how the obligation was to be satisfied and then issue an ultimatum which would have a brief time limit, to Germany. The experts tonight are considering the two schemes and will report at another meeting of the council Sunday morning.

So serious was the situation considered that Mr. Lloyd George called an immediate meeting of the British cabinet to discuss the matter.

Today's meeting of the supreme council was a protracted one. M. Briand taking a long time to explain the French plan to Count Sforza and M. Jaspard, who had not the advantage of being present at Hythe when the French premier discussed the matter with Mr. Lloyd George. Only this morning was it made known that the British had a new scheme to offer, which was communicated to M. Briand when he had a short talk with Mr. Lloyd George.

It was explained from the British side after the council meeting that the new move was made, owing to the finding of the reparations commission that the German indebtedness was 6,600,000,000 pounds. This, it was said, greatly altered the situation, as it was necessary in applying penalties that the provisions of the treaty should be observed.

It was no surprise to find Count Sforza supporting the British plan as it had been known Italy was strongly opposed to occupation of the Ruhr, unless it was found absolutely necessary in order to enforce payment of the reparations. Tomorrow's council meeting may be able to compose the differences or find a middle course, but the diplomats took a serious view of the situation for, if no agreement is reached, M. Briand is faced with the prospect of having France advance into the Ruhr region alone, or at best with the Belgians, or placing his cabinet in jeopardy.

Military experts were not present at today's meeting, but diplomats and financiers were there in strong force.

It was said after the reparations question was disposed of some of the allies expressed a desire to discuss Italy's alleged breach of faith in entering into a treaty with the Turkish Nationalists.

GARY WELCOMES INVESTIGATION OF U. S. STEEL

Denies Unfair Competition Has Been Practiced

(By The Associated Press)
NEW YORK, April 30.—Elbert H. Gary, chairman of the board of the United States Steel Corporation, declared today that he welcomed investigation by the federal trade commission into charges that the corporation and eleven of its subsidiaries had practiced unfair competition in interstate commerce thru the system of having Pittsburgh as a basing point for selling prices everywhere.

"It is a mistake," he said, "to suppose the proceedings are directed against the United States Steel Corporation or any other manufacturing concern. They involve a simple question relating to the Pittsburgh base, so called."

All Industry Does Likewise

Many, if not all other lines of industry, he said, carry out similar practices. These consist of establishing a system of base prices and plus prices. Except for nails, steel, wherever made, is delivered under this system at the Pittsburgh base price, plus what the freight would have been from Pittsburgh to the delivery point. Pittsburgh is known as the basing point in the steel industry.

The complainants, who are western purchasers of steel, contend, Mr. Gary said, that other basing points should be established in Chicago, and perhaps other manufacturing cities.

"I will be glad to have the whole matter fully and carefully considered, and if possible a judicial and final decision reached," Mr. Gary said. "The question is far-reaching and involves much more than the pecuniary interests of the manufacturers, sellers and buyers of steel."

HOUSE COMMITTEE PREPARES TO START ITS INVESTIGATION

Will Inquire Into Escape of Grover Bergdoll, Draft Evader

WASHINGTON, April 30.—The house committee investigating the escape of Grover C. Bergdoll, draft evader, put into its record today the report of Colonel Thomas Q. Donaldson, assistant to the inspector general of the army, and will begin examination of witnesses next week.

The report quoted a letter written by Samuel T. Ansell, former acting judge-advocate general, and counsel for the fugitive to the effect that Bergdoll had apprehended a family desire to control his share of the money inherited from his father and was known to have buried a large sum of money, later recovered.

"He now declares that he also has a second large sum, the remainder of his fortune, \$150,000 in a lonely spot on a mountain-side, about a day's journey from Washington," Mr. Ansell wrote.

Adjutant General Harris, in asking release of the prisoner under guard to find it.

Bergdoll escaped during the trip which resulted from this investigation and Colonel Donaldson said Mr. Ansell had said he would be morally responsible for return of the prisoner.

Mr. Hays has said that he does not consider it among the first duties of the postal department to censor the matter that passes thru the mails. Here is another distinct difference between Mr. Hays' opinion and that of his predecessor, Mr. Burleson.

One of the most reasonable laws passed by the general assembly has its relation to elections and provides that separate ballots shall not be necessary for women. The attorney general had previously held that the adoption of the suffrage amendment did not change the laws of the state relative to the manner of holding an election, and therefore up to this time it was necessary to maintain separate ballots and ballot boxes for men and women. The new law which Gov. Small has just signed, will do away with this double system and means a great saving in election costs.

Talking about the Germans and reparations, there isn't any use speculating about what would have happened had Germany instead of the allies won in the world war. No quibbling

would have been permitted. The Kaiser and his cohorts would have told us all—and that very quickly—just what to do, and we would have been doing it long before this. That's why it seems so preposterous that there should be so much delay now in the acceptance by the Germans of the terms of the allies.

Statisticians have figured out that the world has a sufficient coal supply for the next 7,000 years. This is harmless if the men who deal in figures had nothing else to do, but it would be very much more interesting if the statisticians would outline some way by which the present day coal costs might be reduced to the consumer. It is present worries that are annoying and most people are willing to let future years take care of themselves so far as fuel is concerned.

MR. STONE AND THE ASSOCIATED PRESS

It is not too much to say that in large measure, the splendid record of The Associated Press has been because of the leadership of Melville E. Stone, who is now retiring as general manager. Mr. Stone's connection with the organization has been long and for thirty years he has served as the general manager. In more recent years, he has not been as active in the work as in earlier years, yet his personality has dominated the organization.

Great changes have come about in news gathering work since Mr. Stone entered the field. His has been a progressive policy but he at no time fully reached his ideals. This means that he was not content with the accomplishments of one day or one year, but was constantly reaching out to better and greater things. He laid particular stress upon dependability and realized that

nothing could be a substitute for that quality. Sensationalism was foreign to his policy. It was his purpose to make The Associated Press a great non-partisan news gathering organization with such a reputation for truth and dependability that the millions of readers the world over would have confidence in printed matter bearing the mark of The Associated Press. He succeeded in this great undertaking in a notable way.

WORK WITH POOR ON NEW BASIS

County Board Completes Co-Operative Plan With Social Service League.

Archibald Norris, who has been overseer of the poor for several years, retired from office yesterday because of arrangements completed by the board of county commissioners with the Social Service League. Commissioners Mawson, Osborne and Wheeler said yesterday that Mr. Norris had devoted his best time and thought to the office and they had no thought of criticizing his work. However, just as a matter of economy it was decided to change the plan for operating the office.

Miss Fowler who is in charge of the Social Service League work, will fill the office of overseer of the poor and will draw a salary of \$40 a month. The previous salary for the position has been \$65 a month. However, it is not merely in the matter of salary that the board of commissioners is expecting to make saving for the county. It happens that a great many of the people who make application to the overseer of the poor for aid are people with whom the Social Service League comes in contact.

It is the business of the Social Service League to study poverty and unemployment conditions in a way that is not possible for the overseer of the poor. In the past there has been some overlapping of the work, and as indicated it is with the purpose in view of reducing the cost to the county of its charity work that the present arrangement has been made.

Miss Fowler, who is now the superintendent of the Social Service League, is a thoroughly trained worker and has had several years of experience in dealing with charity and poverty cases. Her work will also have its relation to dependency and delinquency cases and the information thus provided will have its value in the work of the juvenile court.

HIRING HELP SOLELY ON REFERENCES PLAY TEACHES

A shining example of the fallacy of employing help solely on the reference plan is presented to employers in a delightful way by Constance Talmadge in her new picture, "Good References," to be shown at the Grand theater commencing tomorrow. In this picture Constance, as the heroine, takes the part of a poor girl seeking a job without references. She is turned down everywhere until finally she "borrows" the references of a sick friend. The scheme works and she gets a job and proves quite efficient.

The trouble with many employers, according to Miss Talmadge, is the fact that they themselves pay too little attention to the study of character and too much to looking up past records of achievement.

"Many girls with little or no previous experience would prove excellent workers if they were only given a chance," she said. "But the employers are afraid to try them out. However, times are getting better, and I hope to see all employers gain a broader and more human point of view."

POWERFUL DRAMA OF UNDERWORLD.

Gouverneur Morris has created one of the most amazing characters in American fiction in Blizard, the legless wonder of "The Penalty," and master of the underworld of San Francisco.

How the blunder of a young doctor in needlessly cutting off both his legs when he was a little boy, so embittered a man that his life became a cunning campaign of hate and destruction for society, is the graphic theme of "The Penalty," the new Goldwyn Picture by Gouverneur Morris.

"Blizzard" (Lon Chaney), broods always over the terrible moment when, after the accident, he was coming out from under the ether and heard the older surgeon accuse his young assistant of having needlessly wrecked his life by amputating both his legs. There a story of startling interest is developed.

Fate, in the shape of a bullet fired by one of his former accomplices, cut short Blizzard's chance to live a right life, and he pays the penalty of his mad career. Scott's Theater Monday, Tuesday and Wednesday.

EAST LYNNE WILL BE SEEN HERE IN PICTURES

The tremendous agitation now going over a great many of our States to place rigid censorship on the motion picture would be entirely unnecessary—even now it is greatly exaggerated—if we saw more productions like that of "East Lynne." This recreation of the famous story has been produced by Hugo Ballin as a Hodkinson release and will be seen at Luttrell's Theatre Monday and Tuesday.

In "East Lynne" we have a tale that has kept its popularity for sixty years among the millions who read it as a book and saw it as a play. It has survived not only for its dramatic strength, its sympathy and the great names of the stage that have been associated with it, but primarily because of its wholesomeness. Only what is straightforward and clean can stand the test of time—especially in this country where the lurid and the lewd is but a matter of the moment.

TAKE AN AERIAL JOY RIDE WITH US

Wm. Robertson, the bird man, is back and will take up passengers today. Come to the W. E. Hall field, (old race track) south of town. We are all boosting for a municipal landing field. This city must be put on the "Flying Map" commercially. It will, eventually, so why wait? We must have our town on the government mail routes. Boost! Come out and fly. Look us over. Robertson will use our new big plane.

*This is not an E. Pluribus Unum Picture
It is in a Class by Its Self*
GOUVERNEUR MORRIS'
powerful drama
The Penalty
This picture will inevitably be classed as one of the outstanding and most powerful productions ever made. Lon Chaney, whose famous performance in "The Miracle Man" has established him as one of the greatest character actors on the screen is featured as the legless master criminal. A picture on which no superlative is wasted.
A great story, a remarkable leading character, masterly direction, flawless photography, perfect acting.
If these things make a great picture, then "The Penalty" will rank in photoplay history as the best.
Supposing you don't enjoy the stories written by Gouverneur Morris—which is very improbable.
Supposing you don't care for a plot that deals with the evil forces that are planning the overthrow of law and order—which is unlikely.
Supposing you don't like to see a mo-

MONMOUTH STUDENTS
DISMISSED AFTER ESCAPE

As the result of an escape in Monmouth college several weeks ago eight students have been dismissed from the institution. One of them a senior, was expelled and seven others have been indefinitely suspended. According to a statement made by President McMichael and published in the Galesburg Republican-Register, two graduates of the college of the class of 1916 were also implicated in the affair and of course did not come under faculty jurisdiction.

Dismissal came as the result of an attack made upon the janitor of the college on the night of March 17. The young men blew the whistle of the heating plant about midnight and when the janitor came to investigate, they overpowered him, blindfolded and gagged him. Then he was bound to a ladder with his hands stretched above his head, his hair cut with a dull pair of scissors and an ill-smelling drug was poured upon him. Altogether it was a brutal and inhuman attack, altho the young men seemed to consider it as a joke.

JACKSONVILLE FARM SUPPLY CO.

EMPTIED "WHITE MULE"

By order of Chief Kiloran several barrels of "white mule" were emptied into the sewer in the rear of the police station Saturday.

The quantity on hand had been accumulated in a number of raids and as it was no longer needed for evidence the dumping order was given. Desk Sergeant Casey had been the "hooch custodian" and the supply had been under lock and key in one of the cells.

STUDEBAKER LIGHT

SIX LOWERS RECORD

Run in 13 Hours and 16 Minutes Marks Fifth New Record Established by Same Car This Year—422 Mile Trip From Los Angeles—Mostly Over Deeply Rutted Sand Trail.

With four records already to its credit this year, a Studebaker Light Six hung up a fifth recently, when it plowed its way from Los Angeles, California, to Phoenix, Arizona, in 13 hours, 16 minutes over roads that were often nothing more than deeply rutted sand trails. Details of this remarkable performance, in the Studebaker lowered the best previous time over this route by 2 hours, 23 minutes, have just been received by C. M. Strawn, local distributor of Studebaker cars.

Up to the time the Light Six made its run, the fastest automobile time for the 422 miles from Los Angeles to Phoenix was 15 hours 44 minutes. The time ordinarily made by tourists between the cities is two days. The railroad time is 14 hours, 20 minutes or one hour and four minutes slower than the time made by the Light Six.

The Light Six used on the terrific test over the desert was the same car that recently broke all records between San Francisco and Los Angeles, and which was the first automobile to reach Yosemite National park over any one of the three snow covered roads from the coast this year.

The Los Angeles-Phoenix dash was started from the main post-office at Los Angeles at 4 o'clock (coast time) in the morning of March 23, and the drivers checked in at the Phoenix postoffice at 6:16 p. m. (mountain time), the same day. The car carried special U. S. mail under authority from the postmaster general at Washington, the run being made to demonstrate the practicability of transporting fast mail between the two cities by automobile. Hart L. Weaver and Billy Kern, drivers, and W. Cook and E. White, mechanics, composed the crew, but the only job required of the mechanics was the changing of tires several times on the hot sands of the desert. The intense heat, bad roads, and the high speed at which the car travelled caused unusual wear on the tires.

After leaving Los Angeles, the first 100 miles included some highway but the greater part of the more than 400 miles was over the worst kind of desert road that in some places became just a faint outline of a trail. Where it was hard, the road was deeply rutted and in the soft places was covered with loose dangerous sand.

The route taken was via Pomona, Colton, Beaumont, Mecca, Blythe, Ehrenberg, Vicksburg, and Bukeye. Over the majority of the road, the ordinary driver not bent on making records, will not try for a speed of more than ten miles an hour on account of the ruts and chuck holes. According to experienced drivers, there is not another piece of road in the country that tests the construction and stamina of an automobile, as does the Phoenix-Los Angeles road taken by the Studebaker Light Six.

MANY INDICTMENTS
FOLLOW IN THE WAKE
OF INVESTIGATIONSSeventy One Indictments
Are Returned by
April Jury

(By The Associated Press)

CHICAGO, April 30.—The government's investigation of alleged conspiracies in the building trades brought forth today indictments against 71 corporations and individuals voted by the April grand jury and the release of indictments against 39 others returned by the March grand jury but suppressed until today.

Sheet metal contractors, steam fitters and plumbing manufacturers, accused of restraining trade in materials made outside of Illinois, are hit in the latest indictments. True bills previously returned were against dealers in lumber, mill work and union carpenters.

Collusion between sheet metal contractors and the Amalgamated Sheet Metal Workers' Alliance, a labor organization, accused in an indictment of one count, has resulted in boosting

prices of sheet metal work 100 per cent, government officials said.

The Master Steamfitters' Association and 18 corporations, 23 individuals and one representative of the Master Steamfitters' Protective Association are named in another indictment.

Wholesale collusion between building contractors and unions amounting to conspiracy in restraint of trade under the Sherman act, is charged.

DEMAND EQUALITY OF
CONDITION SAYS TAFT

Former President Tells Audience That Respect of Government Is Lower Today Than It Was a Century Ago.

(By The Associated Press)

NEW YORK, April 30.—Respect for representative government is lower today than it was a century ago anywhere, W. H. Taft told an audience tonight in the opening lecture of the James Stokes lectureship on politics of New York University.

"One hundred years ago," he said, "a representative form of government was looked upon as a means of escaping from an absolute monarchy, with all its ills, and from an oligarchy, with its defect. It was regarded as the proper instrument to interpret the will of the people into government action."

"Now," the former president added, "there has come into the minds of many a desire, not for liberty and equality of opportunity, but a demand for equality of condition. It is a protest against the operation and working out of the right of property against the inequalities in wealth and comfort present in society."

"The usefulness of government is gauged in the judgment of many chiefly by the measure of relief it offers to that part of the population. More than this, the betterment in the condition of all the people, due in part to personal liberty and greater equality of opportunity has created in the minds of a considerable number a desire for wider equality of comfort and living and prompts the demand that government shall bring about an economic, as distinguished from political, reform."

Mr. Taft asserted the socialist party is seeking to create a class war and said the non-partisan league of North Dakota is not a patriotic American party.

TOBACCO MERCHANTS
WANT LOWER TAXES

Tobacco merchants everywhere are joining in a petition to congress to reduce the tax on tobacco. It is maintained that the present war taxes on tobacco are excessive and working a hardship on both the dealers and consumers. As the petitions are being circulated in so many different cities, an impressive document will be filed with congress.

RETAIL DEALERS HAVE
LOTS OF ANTHRACITE COAL

Washington, April 30.—The quantity of anthracite coal in the hands of retail dealers on April 1 was nearly twice the amount held by them on June 1, 1920, the geological survey which has completed a canvass of consumers stocks of coal, announced today. Mines were found to have operated steadily, it was said, despite the industrial depression in many localities.

AGED VIRGINIA
RESIDENT DEAD

Virginia, Ill., April 30.—Dr. John Francis Snyder, former president of the Illinois Historical Society and member of the 31st general assembly of Illinois, died at his home here today at the age of 91 years. ASKS THAT STRAUSE
BE AGAIN PLACED ON
TRIAL FOR MURDERTrial Has Already Cost
Peoria County
\$22,000

(By The Associated Press)

BLOOMINGTON, April 30.—Ernest W. Galbraith, new state's attorney in Peoria county, was here Saturday to file a motion in the circuit court asking that Edgar A. Strausse be again placed on trial at the coming September term on a charge of killing Berne A. Meade.

This case was tried twice previously, the first time in Peoria where Strausse was convicted but the case was taken to the supreme court and a new trial ordered. A change of venue was asked from Peoria county and the case was tried in McLean county about a year ago resulting in a disagreement of the jury.

Strausse and Meade were both interested in the same bank in Peoria when the killing took place in December 23, 1917. Strausse admits that he fired the shot that killed Meade but claims it was in self defense. The case has already cost Peoria county \$22,000. During the progress of the trial in Bloomington the presiding Judge Sain Welty became ill and died and Judge T. B. Harris of Logan county, by agreement of attorneys passed upon the rest of the evidence. It took four weeks to get a jury, the trial of the case here extending over a period of thirteen weeks.

BILLS LOOKING TO
GRAIN REGULATIONSeveral Were Considered By
House Agricultural Committee.

(By The Associated Press)

Washington, April 30.—Various bills looking to the regulation of grain exchanges were considered today by the house agricultural committee, and Chairman Norris of the senate agriculture committee announced he was waiting for additional information before drafting a measure on the subject which he expects to introduce in the senate. He said he had conferred with experts from the agriculture department and the federal trade commission.

Senator Capper, Republican, Kansas, whose bill relating to grain exchanges was referred to the secretary of agriculture for recommendation said today he had talked with Mr. Wallace and that it had been tentatively decided to let the house act on legislation affecting grain exchanges before the senate. The measure, he pointed out, was based on a revenue raising idea and some of its friends thought it would be better there for to let the house first take it.

STATE M. W. A. CONVENTION

Morgan county delegates to the state convention of Woodmen will leave for Galesburg Monday.

The principal business to come before the convention, according to announcements from the head office, will be the election of 78 delegates from the Illinois membership to represent the state in the head camp at St. Louis the week of June 20. A class of 140 members will also be adopted in the Galesburg armory Tuesday evening, the degree work to be conferred by the officers and team of Independence camp, and on the following day at noon, the drum corps of that camp will lead the parade. All Modern Woodmen state camps are held on the same date in every state in the society's jurisdiction. Illinois has the largest gathering because it exceeds all other states in point of membership.

Lunatics

—Did you know that eighty-eight hours of complete wakefulness means insanity for the average person—stay awake that long and you will lose your reason. That makes rest pretty important, does it not? Unless you rest properly, have plenty of fresh air while you sleep and get enough hours of sleep you are slipping backward all the time—ask your doctor. We know these things because it is our business to help you rest—keep you comfortable and mentally composed. How?

—We make clothes. Clothes that are comfortable. Uncomfortable clothes, whether because ill-fitting or ill-looking, or both, are irritating to the peace of mind and aid that "slipping backward" process. Don't believe it? Don't know the difference in a man's feelings and general deportment when he strolls down the street clad in a neat, well made suit—he's confident, and at ease.

PLEASANT EVENT AT HOME IN WINCHESTER

Luncheon in Honor of Miss Madeline Hainsfurther Given at Riggs Home — Other Winchester News Notes.

Winchester, April 30.—Mrs. J. M. Riggs and daughter, Miss Nellie, entertained a large company of friends Saturday afternoon from 3 to 6 o'clock. The occasion was in honor of Miss Madeline Hainsfurther and proved a most delightful one for all present. The hours were spent sociably and the serving of a delicious luncheon was a pleasant feature.

Luther Mason of Peoria visited his parents here Friday. The names of Mrs. D. T. Smith and Misses Dorothy Dow and Ruth Coultas were omitted in the paper Saturday morning as hostesses at the luncheon given at the home of Mrs. W. E. Coultas Friday night.

Lee Cunningham received a message early Saturday morning calling him to St. Louis because of the illness of his brother, who was to undergo a serious operation. Mrs. Cunningham later received a message telling of the illness of her father and the death of her uncle in St. Louis. Mr. and Mrs. Cunningham left for St. Louis Saturday afternoon.

The high school boys and the band went to Greenfield Saturday afternoon to attend the track meet. Among the victories won by Winchester boys were the following:

5 mile race—Ronald Henry, first 50 yard dash—Dan Smith, first.

High jump—Roland Reid, third.

Standing broad jump—Grover Patrick, third.

J. C. Neat and wife arrived home Saturday from San Diego, Calif., where they have spent the winter months.

Rev. Abram Bergen and Prof. Sawtelle arrived Saturday afternoon from Springfield and are expecting to hold meetings for a few weeks at the Presbyterian church.

ROBBERS AFTER CASH

Homer E. Eaton, an employee of the American Express Co., whose home is in Decatur, was robbed of \$50 while asleep at the home of Matthew Wagner on East North street Friday night. Eaton arose Saturday morning at 5:30 o'clock, intending to take an early train to Quincy, and discovered that his trousers were out in the hall. A quick search revealed that \$50 in currency had been taken from the pockets. His gold watch was not molested. The matter was reported to the police.

Thieves also entered the Stevenson rooming house on North Main street. They went into the room of M. Trent and extracted a \$5 bill from his trousers. His watch and other valuables were undisturbed.

IS READY TO SERVE WITHOUT A SALARY

Mayor Berger of Mercedosia in Inaugural Suggests Change in Ordinance — Is For Improvements.

At the regular meeting of the town board of Mercedosia the newly elected members were sworn in by Squire A. E. Ritscher. The proceedings were unusually interesting and a number of visitors were present.

Mayor Berger made his inaugural address, which was in part as follows:

"It is with pleasure that I accept the office as president of our village board, not for the salary it pays, but because I am interested in trying to make our village a pleasant and profitable place in which to live. In regard to the salary involved, I am going to ask the committee on ordinance to consider an amendment to Article 5, Paragraph 31, Section 7 in our village ordinance, and reduce the president's salary to \$1 per year, instead of \$15 per meeting night, and also reduce the trustees' salary to the same amount—\$1 per year.

"I believe we should be patriotic enough to be willing to serve our community without salary, the same as school boards and communities. I will ask the committee on ordinance to report on this matter at the next regular meeting.

Wants Clean Town

"I believe in public improvements. I also believe in economy. I believe when the city spends a dollar it should get a dollar's worth in return. No one will be retained in public work because of influence or pull. He must make good.

"Four years ago I was criticised for pushing sidewalk improvement but now we have them and they are in good condition. I believe that we should turn our attention to oiling and other improvements. I recommend the early and complete cleaning of the city hall and the town lock-up. I believe a clean city hall will have a tendency to keep streets and alleys in that condition. The people have said by their votes that they do not want gaming houses or crap shooting and their wishes will be obeyed. If the evidence is furnished I will prosecute to the limit. "By working together and everyone boosting and none knocking, we can make Mercedosia a pleasant place in which to live, and in two years we can reduce our present high tax rate and still make the necessary improvements.

Hearings for All

"I recommend the parking of cars in the center of the street, instead of along the curbing." In closing the mayor said he would give a respectful hearing to every citizen who consulted him and that it would be his purpose to conduct all city business with the careful attention to details that would be given a successful private enterprise. "I believe," he said, "the people are expecting action rather than words in this administration, and I hope we can close the two years with their approval, and not with censure. Let's go."

The appointments made by the president and later approved by the board were as follows:

Mayor pro tem—Ferd Payne. Health warden—Dr. F. A. Neville.

Treasurer—Frank H. Korsmeyer.

Finance committee—S. D. Allen, J. E. Beauchamp, Ferd Allen.

Cemetery committee—Henry Hinners, James Mayes, L. F. Berger.

Lights—Robert Mayes, S. D. Allen, James Mayes.

Public health—James Mayes, Ferd Payne, S. D. Allen.

Ordinance—J. E. Beauchamp, Robert Mayes, Henry Hinners.

Public improvement—Ferd Payne, Henry Hinners, J. E. Beauchamp.

It was decided to follow the president's suggestion and have the city hall clean and the streets graded for oiling. An order was also made for the purchase of a car of oil. Some betterments were also ordered. The town board as now constituted includes the following:

President—L. F. Berger.

Trustees—J. E. Beauchamp, Henry Hinners, James Mayes, S. D. Allen, Ferd Payne, Robert Mayes, H. D. Berger, clerk.

The first three trustees named were elected this year.

Sixth Annual Event Promises to Eclipse Former Meets — Will Be Held May 14—Oratory and Declamation Contests Friday, May 13.

The sixth annual Illinois College interscholastic track and field meet and contest in public speaking and music will be held in Jacksonville Friday and Saturday, May 13 and 14.

This contest, conducted under the direction of Coach W. T. Harmon, has become so popular with the high schools of this state that it now ranks in size and importance second only to like contests conducted by the University of Chicago and the state university.

Preparations for the contest are nearing completion. Entry blanks have been sent out. The track is in excellent condition. Medals and trophies to be awarded are on hand. A beautiful large shield will be awarded to the high school which scores the largest number of points and a smaller one to the high school which finishes second. Gold, silver and bronze medals will be awarded to the winner of

first, second and third places, respectively, in each event. Blue and gold prize ribbons will be awarded to the winners of fourth places in all events. A handsome silver loving cup will be awarded to the athlete who makes the best performance, regardless of the number of points he wins.

Many Have Participated
The following high schools have entered the interscholastic in past years: Alton, Armstrong, Arenzville, Atwood, Astoria, Ashland, Auburn, Beardstown, Bowen, Bement, Bloomington, Bunker Hill, Carlinville, Carrollton, Champaign, Chapin, Chambersburg, Chatham, Clayton, Clinton, Cuba, Du Quoin, Divernon, Elmwood, East St. Louis, Franklin, Girard, Griggsville, Greenfield, Granite City, Greenville, Herrin, Havana, Hindsdale, Hull, Illinois, Jacksonville, Kampsville, Loomis, Lewistown, Manchester, Mason City, Macomb, Modesto, Milton, Mt. Olive, Monmouth, New Salem, New Berlin, Nokomis, O'Fallon, Palmyra, Pawnee, Payson, Pearl, Peoria Central, Petersburg, Peoria Manual Training, Perry, Pontiac, Pittsfield, Pleasant Hill, Quincy, Roodhouse, Roseville, Rushville, Scottville, Shelbyville, Springfield, Stonington, Staunton, Table Grove, Tallula, Urbana, Toluca, Vermont, Vandalia, Virden, Virginia, White Hall, Winchester, Waverly and Waynesville. Practically all of these schools will compete this year, together with several new entrants. It is interesting to note that the following high schools hold the records in the various events: Pawnee, Palmyra, East St. Louis, Springfield, Jacksonville, Beardstown, White Hall, Pleasant Hill, Girard and Urbana.

New Feature Added
Last year a contest in oratory and declamation in piano, vocal and violin solos were added to the contest in declamation. This added contest proved to be attractive and resulted in spirited competition of a high class. Beardstown, White Hall, Rockport, Pawnee, Auburn, Girard, Carlinville, Litchfield, Arenzville, Jacksonville, Roodhouse, Winchester, Virginia, East St. Louis, Granite City and Greenfield competed in the piano solo contest. Virginia won first place, with Granite City second, Jacksonville third and Roodhouse fourth. In the vocal solo contest the following high schools were represented: Illinois, Virden, Alton, East St. Louis, Beardstown, White Hall, Rockport, Havana, Greenfield, Pawnee, Auburn, Girard, Carlinville, Jacksonville, Stonington, Waverly, Palmyra, Bluffs, Roodhouse and Virginia. First place was won by East St. Louis, with Jacksonville second, Greenfield third and Pawnee fourth. Violinists from the following high schools were entered: White Hall, Bement, Girard, Litchfield, Jacksonville, Mt. Olive, Waverly, Roodhouse, Virginia, Virden and East St. Louis. Virginia was the winner, with Waverly second, Mt. Olive third and Jacksonville fourth.

Oratorical Friday Night
Contests in oratory and declamation will be held on Friday evening, May 13, under the direction of Prof. J. G. Ames, Department of English. The contests in piano, voice and violin will be held on Saturday evening, May 14, under the supervision of William E.

Krich, Director of the Illinois College Conservatory of Music.

An interesting feature in connection with the interscholastic will be the dual track meet on Saturday morning, May 1, at 10 o'clock, when the Illinois College meets the Bradley Institute of Peoria. These two teams met last year on the same date and Illinois College won handily.

The number of contestants and spectators is expected, this year, to surpass all previous records. The track will be very fast and records are sure to fall. A clear, warm day is all that is necessary to make conditions ideal. May 13 and 14 will be great days for the Illinois College students and their guests—the contestants and visitors from the various high schools.

ILLINOIS DEFEATS CARTHAGE 8 TO 3

Win Slow Game from Opponents—Losers Play Poor Game in Field Making Ten Errors.

Illinois college defeated Carthage Saturday afternoon by a score of 8 to 3. The game was a slow one and was marked by many errors, especially was this true of Carthage, the players of that team making 10 errors.

Illinois played an excellent game for six innings, blanking Carthage without trouble. In the seventh a bunch of errors allowed two scores. Fanning pitched a good game for Illinois, striking out 10 men. He was rather wild in the eighth, when he hit a man. Illinois' next game will be played Thursday at Bloomington, with Illinois Wesleyan. The Brain And Sight

Images fall upon the retina, are carried by the optic nerve to the brain and passed by the brain. The brain controls the body. Intelligent people protect the brain by proper glasses—if they need them. Children often need glasses to correct their whole physical mechanism. Eye examination, properly done, and eye glass fitting, as it should be done, have been my life study and I have brought relief and comfort to many people by protecting their eyes.

INDEES TAKE ON STRONG I. T. S. TEAM

Decatur Club Will be Locals Opponents at South Side Park This Afternoon—Visitors Have Strong Lineup.

The strong Illinois Traction system team of Decatur will face the Indians at South Side park this afternoon.

The visiting team is said to be one of the strongest in this part of the country. Several of its players are but little below the class of the Staley team in Decatur.

The Rushing brothers battery is well known through this part of the state and it takes a good ball team to beat C. Rushing's pitching.

During the past week the Indians have had several workouts and should be in better shape than a week ago. Several shifts will be made in the team from the lineup of last Sunday.

Ruble will still be in the lineup. Manager Smith having induced him to stay with the club. He has asked for his release so that he might play with Modesto. He will be seen at third with Denny at second and Christopher at short.

Play will start promptly at 3 o'clock. The lineup of the teams follows:

Decatur—B. Ruhling, c; C. Rushing, p; Reynolds, p; Guard, 1b; Virden, 2b; Hilberling, 3b; Redman, ss; Young, lf; Borosh, cf; Northland, rf.

Indies—Denny, 2b; Wheeler, cf; Ruble, 3b; Clark, c; Morrow, 1b; Christopher, ss; DeFrate, lf; Cox, rf; Simms, p; Hamm, p.

WESTERN ATHLETES SCORED HEAVILY IN PENN. RELAYS

Illinois Captured the Four Mile Event After a Steady Race With Cornell and Princeton—Yale Half Milers Win Hard Race from Ames Who Holds American Record

PHILADELPHIA, April 30.—Remarkable athletic performances by Western athletes were the outstanding feature of the final day of the 27th annual relay carnival of the University of Pennsylvania this afternoon. On a water-soaked track and turf, with a cold chilling wind sweeping the field, the tall, lithe and powerful performers from the middle west won a number of important competitions.

Of the more important college championship races, Illinois captured the four mile event after a steady race which caused Cornell and Princeton runners to falter under the strain. The Cedar Rapids High school also entered a splendid combination relay team in both the one mile high school championship and the two mile interscholastic title run and raced away with a double victory.

In the individual contests Weiss of Illinois, won the discus throw, Osborne of Illinois, tied with Chamberlain of Virginia, Alberts of Illinois, and Murphy of Notre Dame, in the high jump at six feet, 2-3/8 inches and on the toss for places won prizes in the order named.

Merrick, of Wisconsin, tied with Gardner of Yale, in the pole vault at 12 feet, six inches, and won first place on the toss. Brede of Illinois, was second in the javelin throw and Paul of Grinnell, second, in the 100 yard dash.

Notwithstanding the heavy track, the Iowa State quartette of half milers hailing from Ames, which established a new American record of 7:52 2-5 for two miles at the Drake relays, last week, forced Yale to run within four-fifths of a second of the old record of 7:35 to win today in what was the best and most thrilling all the championship events. This contest was in doubt until the final dash for the worsted and during the entire two miles the lead changed in frequent and sensational manner.

The University of Illinois milers were always the leaders in the four mile college championship race. Before the first mile had been finished, Illinois, Cornell and Princeton were distancing the field, consisting of Pennsylvania State, Syracuse and Lafayette. At the second mile post, Illinois led Princeton by 15 yards. In the third mile Cornell took second place from Princeton and the final two laps of the race made a game attempt to overhaul Wharton, who was anchor man for the westerners. The latter had plenty of reserve and won by 15 yards.

Summaries
Interscholastic two-mile relay championship (each man to run a half mile)—Won by Cedar Rapids, Iowa; second, Newark Central. Time, 8 minutes 25 2-5 seconds.

One mile high school relay championship—Won by Cedar Rapids; second, Medford. Time, 3:37 2-5.

One mile college relay—Won by Howard University; second, Rensselaer Poly. Time, 3 minutes, 33 seconds.

One mile college relay—Won by Colby; second, Bucknell. Time, 3 minutes, 33 2-5 seconds.

High jump—Osborne, University of Illinois; D. Alerts, University of Illinois; J. Murphy, Notre Dame, all tied at six feet 2-3/8 inches.

The coin tossed for places, the order of winning being in that order.

Two-mile college relay, championship (each man to run a half mile)—Won by Yale; second, Ames. Time, 7:53 4-5.

Middle Atlantic States Conference A. A. championship relay—Won by Rutgers; second, Lafayette. Time 3 minutes, 25 2-5 seconds.

Class "B" one mile relay championship—Won by Boston College; second, Penn State. Time, 3:24 2-5.

One mile freshman college relay championship of America—Won by University of Pennsylvania; second, Princeton. Time, 3:27 3-5.

One mile prep school relay championship of America—Won by Mercersburg Academy; second, Hill School. Time, 3 minutes 28 4-5 seconds.

120-yard hurdle—Won by E. Thomson, Dartmouth; second, Wright, Nebraska. Time 15 3-5 seconds.

100-yard dash (final)—Won by E. Farrell, Brooklyn Poly; second, L. Paul, Grinnell College. Time 10 2-5 seconds.

One mile college relay championship of America (each man running one-quarter mile)—Won by Syracuse; second, University of Pennsylvania. Time, 3 minutes 2 2-5 seconds.

Broad jump—Won by E. O. Gordin, Harvard, 23 feet 10 1-2 inches; second, Cowles, Yale, 23 feet, 10 inches.

Pole vault—D. Merrick, Wisconsin, and Gardner, Yale, tied at 12 feet, 6 inches. Toss of coin gives order as above: L. Wilder, Western Conference champion; E. L. Jenne, Washington State, and B. Harwood, Harvard, tied for third at 12 feet, 3 inches. Toss of coin put them in order named.

Discus throw—Won by J. Weiss, University of Illinois, 138 feet, 8 inches; second, E. Sandertur, Kansas, 134 feet, 7 1-2 inches.

Four-mile college relay championship of America—Won by Illinois (Brown, McGinnis, Yates, Wharton); second, Cornell. Time, 18 minutes, 5 seconds.

Javelin throw—Won by C. Broured, U. of Pennsylvania, distance 183 feet, 1-4 inch; second, E. C. Prado, University of Illinois, 180 feet 1-2 inch; third, H. Betzmer, Delaware, 160 feet, 8 1-4 inches.

Prep School one mile relay—Won by Baltimore Friends; second, Friends Central; third Brooklyn Friends. Time, 3 minutes 44 4-5 seconds.

CLEVELAND NOSES OUT SOX IN TWELFTH

Teams Fight Neck and Neck for Eleven Innings—Chicago Makes Game Try in Twelfth, But Falls One Run Short of Tying.

CHICAGO, April 30.—Chicago and Cleveland battled 12 innings today, the world's champions nosing out the locals in the final rally and winning, 4 to 3. The two teams battled on even terms from the seventh inning until the twelfth, when Kerr weakened and Cleveland scored three times by bunting three hits, with a base on balls and two sacrifices. Chicago came back strong in their half of the inning and drove Mails off the mound, but fell shy one run from tying the score. Score: Cleveland: A. B. R. H. O. A. E

PROMINENT ALEXANDER RESIDENT PASSES AWAY

Death of Mrs. Margaret Colwell Came Saturday Afternoon After Few Days' Illness—Funeral Arrangements Not Yet Completed.

Alexander, April 30.—The community was greatly shocked and saddened by news of the death of Mrs. Margaret K. Colwell, which came at 2:40 o'clock Saturday afternoon. Death came after a very brief illness, as it was on Tuesday night that Mrs. Colwell became ill. Her condition rapidly grew more serious until death came as already noted.

The deceased was born in Springfield, Ill., on March 2, 1860, but had been a resident of Jacksonville for a number of years. She was a daughter of the late Mr. and Mrs. Frank J. Kaiser. On March 13, 1888, the deceased was united in marriage to John N. Colwell. The latter passed away twenty-one years ago. They were the parents of six children, all of whom survive their mother. They are George Colwell and Miss Anna Colwell, at home, Mrs. L. S. Griffith of Amboy, Ill.; Frank Colwell, of Hayden, Ariz., and John S. and William Colwell, residing at home.

The deceased is also survived by the following brothers and sisters: Mrs. Clifton Corrington, of Jacksonville; Frank J. Kaiser, Miss Katherine Kaiser, Alexander, Mrs. M. J. Heines, Lancaster, Kans., Mrs. George W. Snyder, Franklin.

Mrs. Colwell was a woman of fine character and kindly nature, ever interested in the welfare of her friends. She was devoted to home and family, and at the same time maintained an active interest in the affairs of the community. She was a member of the Alexander M. E. church and contributed liberally of time and means toward various religious activities. Mrs. Colwell was also a member of the Alexander Woman's club and of the Orleans Country club.

Altho Mrs. Colwell had been in poor health for a number of years past, she maintained a cheerful outlook upon life and few were the words of complaint which fell from her lips. Her death means a distinct loss to family and friends and to the community as a whole.

Arrangements for the funeral have not yet been completed, but it is known that the services will be held at Alexander M. E. church in charge of Rev. J. R. Chevront. Burial will be made in Woodworth cemetery at Island Grove.

Luncheon For Miss Harker.

Miss Esther Davis gave a luncheon at her home on Webster avenue yesterday in honor of Miss Ruth Harker, whose marriage to Mark Hunt of Quincy, is to be an event of the near future. Twelve of Miss Harker's friends were guests at this one o'clock luncheon. A beautiful banquet of pink roses and snapdragons and little pink nut baskets carried out a charming color scheme of pink and white. Minute brides adorned the dainty place cards at each guest's place. This affair was one of the delightful pre-nuptial parties being given in Miss Harker's honor. Miss Blanche Seaman, of Chapin was an out-of-town guest at the luncheon.

Lynville Ladies' Aid Gave Annual Picnic

The Ladies' Aid of the Lynville M. E. church gave its annual community picnic at the home of F. J. Scholfield, southwest of the city, Saturday. The company began gathering at 9 o'clock in the morning, and swings, teeters and merry-go-rounds were put up and everybody prepared to have a good time.

The day was spent in playing baseball, football, basketball and all kinds of sport and foot races and jumping, also, occupied the time.

Other features were a May pole dance, an old maid's tea party and musical program. Those taking part in the tea party were: Frances Scholfield, Fern Pot-

Social Events

Park Dances Started Last Night

The summer dances at Nichols park opened last night, when the first dance of the season was held. There were a great many people in attendance and Large's orchestra furnished good music. The dances under the supervision of the park board will be held several times a week during the summer months and will be, no doubt, well patronized by Jacksonville pleasure-seekers.

Dunlap's Played in Carrollton

Dunlap's orchestra went to Carrollton last evening where they furnished music for a dance given there.

Gave Reception

Dr. and Mrs. J. R. Harker and Mr. and Mrs. James E. MacMurray were hosts at a reception given last evening in the Social room at the Illinois Woman's college. The guests, college students and members of the college faculty. This was a very delightful social event in every way.

Baptist Ladies Aid Market

Circle No. 1 of the Pastor's Aid of the Baptist church, of which Mrs. Jerry Cox is chairman, held a market yesterday at the Jacksonville Plumbing company's office on West State street. The ladies had a large variety of good things to eat and they found ready sale. Mrs. Alec Rabjohn was at the head of the market and she was assisted by Mrs. Chelchase, Mrs. P. R. Briggs and Miss Elizabeth Long. The ladies counted the sale a great success in every way.

Charming Party for Sunday School Children

Mrs. J. F. Langton was hostess at a delightful little spring party given at the rectory on South Church street yesterday afternoon. Her guests were the children and teachers of the Trinity Sunday school. The spirit of spring birds was the dominant note at the party. The house was filled with festoons of gayly colored birds and pictures of the spring songsters. The children had a contest in which they guessed the names of the birds which they saw.

Out on the lawn the children had lots of fun playing games and Miss Anne Jackson told them some lovely stories about birds. The little tots had a bird's nest hunt and had a merry time finding tiny nests hidden in the garden. Late in the afternoon Mrs. Langton served lovely ice cream and cake which the little guests enjoyed very much. The children departed after spending a most delightful afternoon.

Business Girl's Class at Westminster

Last Sunday a business girls' class was organized at Westminster Sunday school. Miss Mary Annette Silbert is the president, Miss Dot Diltz, the vice president, Miss Irma Silbert the secretary and Miss Mabel Tholen, secretary. Mrs. W. S. Jones is the class teacher and the members are very enthusiastic about the class work. They are very anxious to have new members and extend a cordial invitation to any business girl who would like to join their circle.

Young People Had Picnic

The members of the Senior Christian Endeavor society of Westminster church went on a picnic last evening out to Gravel Springs. The young people left about about five o'clock and drove out to the woods in cars. There they cooked a fine supper over the open fire. Everybody had a gay time and the picnic was counted a grand success.

Entertained Friends at Old Fashioned Party

Miss Eunice Mansfield and brother Rollin entertained about sixty young folks at their home, five miles south of Franklin Thursday night at an old fashioned party, games and music were played thruout the evening. At a late hour the hostess served refreshments. All enjoyed themselves.

MEMBERS OF U. C. T. HAVE FINE TIME

Ladies Serve Supper Which Is Followed By Entertainment—Splendid Program of Readings and Music Given.

Members of Jacksonville Council No. 182, U. C. T., their families and friends had a most enjoyable time Saturday evening at their hall on East State street. This council has the reputation of being the liveliest in the state and it lived up to its reputation last night.

First came dinner which was served by the U. C. T. ladies at 6:30 o'clock. One hundred and fifty sat down to a splendid repast. This was followed by a program of readings and music.

Miss Jeanette Powell of the faculty of Illinois Woman's College gave several readings. Miss Ramsey sang a group of songs with Miss Merker as accompanist. These artists also were from the Woman's College. Stanley I. Davis, who is a traveling salesman by occupation and a magician for pleasure it gives his friends, furnished some splendid feats of magic. This was followed by story telling and reading for the children by Misses Martha Sellev, Helen Jackson and Fonda Mae Jameson, all from the Woman's College.

It is needless to say that all of these were received with great enthusiasm and the members of the U. C. T. feel most grateful to the artists who gave the program and the ladies who served the supper.

Following the program dancing and cards were enjoyed, music being furnished by an orchestra from the Blind.

The committee in charge of the affair to whom much credit is due for its success was composed of Homer Ranson, chairman; Ralph Cowgur, and Roy Scott.

HAD HEARING ON LANTZ BILL

Local Men Had Consultation With Representatives in Springfield Saturday.

County Agent G. B. Kendall and H. E. Kitter were in Springfield Saturday to meet the members of the Sangamon county farm bureau and representatives from this district. Representatives Frisch and Searcy were present to hear the discussion of the Lantz bill one of the measures which is especially interesting to farmers and others who deal in grain.

The Lantz bill does not do away with the board of trade but provides for certain regulations which board of trade men consider drastic and many farmers as fair. The maintain that by the present system of exchange operation that the farmers are defrauded out of a considerable portion of the value of their grain and that the plan of operation works to the detriment of the consumer.

The farmers who favor the bill maintain that it will not prevent legitimate hedging on the board for protection by farmers who actually have the grain, but that it will prevent speculation on the board in grain where there is no intention to make delivery.

"TWILIGHT ALLEY" WILL BE GIVEN TUESDAY

The pupils of the Junior High school will present the operetta "Twilight Alley" Tuesday evening at the David Prince gymnasium.

The proceeds are to go toward the furnishing of the Rotary club cottage for young people at Meredosia. The students, under the able direction of Miss Lena Hopper, have been doing splendid work at the rehearsals and the operetta promises to be a fine one.

John Hackett as stage manager has arranged the tenor part in a very clever way. Miss Constance Finch, at the piano has been most faithful and has done much to make the operetta the success that it undoubtedly will be.

The scene of the clever little operetta is laid in "Twilight Alley" where the sunshine rarely penetrates. Dame Needy with her large family lives in "The Old Shoe," a tenement in the alley. Meg is the oldest of eight daughters, and Jack, the only son, is captain of a baseball nine of boys his age. Angelina is an emigrant child who is left all day at "The Old Shoe" while her mother works. One afternoon, Lily, the daughter of the wealthy landlord of "The Old Shoe," loses her way in the city and wanders into "Twilight Alley." She pities these twilight dwellers and invites them to her own lovely garden.

While Dame Needy is asleep the girls steal away to her home on the hill top. Here the Black Bogies give a drill and the Fairies dance. During their absence the boys rebel at living in "The Old Shoe" and resolve to burn it, but Lily and the others return in time to offer a happier solution and all ends well. The principal characters are:

Dame Needy, the mother of the large family—Margaret Fay Hopper.

Meg, her eldest daughter—Fay Carroll.

Jack, the only son—James Voseller.

Angelina, the emigrant child—Lillian Strandberg.

Lily, daughter of owner of the tenement—Clara Smith, from the High school.

Meg's sister—Sarah Lee Rule, Opal Foreman, Eleanore Andre and Margaret Williamson.

Constance Finch, at the piano, deserves many thanks and much credit.

for her helpful and faithful work at every rehearsal. The stage manager, John Hackett, from the High school, has worked out a decidedly clever background of tenement life. From the old chalk marked board fence to the pathetically bare home "The Old Shoe," the right atmosphere for the operetta is given.

The choruses upon which so much of the success of the operetta depends are made up as follows:

Girls' Chorus—Emma Mosely, Florence Cranwell, Dorothy Duncan, Joyce Lander, Elizabeth Goodale, Vivian Sturgeon, Lucille Mackness, Elinor Mae Ames, Abbie Lee Young, Helen Harney, Margaret Capps, Betty Black, Virginia Smith, Marie Gehring, Frances Lynch, Louise Bell, Lucy Pontius, Frances Goodman, Eleanore Andre, Opal Foreman and Margaret Williamson.

The baseball chorus boys are Donald Casey, David Lander, Charles Williamson, Edward Mallory, Max Thompson, Carlton Hook, Bokum Morris, Charles Roberts, Carl Freitag, Albert Greenfield, Harold Sanders, Lawrence Smith, Harvey McDaniel, Roy Bramum, Lester Woods, John

Balman, Robert Mutch and William Milligan.

The Black Bogies are Mignon Hirsch, Dorothy Jackson, Etta Bramum, Helen Tompkins, Lorna Carpenter, Grace Fitch, Mildred Miller, Ruth Roberts, Margaret Tichnor, Frances Phillips, Priscilla Strawn and Glendora Cannon.

The Fairies are Anna Hunter, Martha Leake, Catherine Hempel, Dorothy York, Edna Howe, Frances Cox, Valda Miller, Bernice Abernathy, Dorothy Livingstone, Margaret Phillips, Margaret Carlyle and Maxine Hart.

The May Pole dancers are Margaret Williamson, Eleanore Andre, Helen Harney, Elizabeth Goodale, Fay Carroll, Sarah Lee Rule, Margaret Capps and Opal Foreman.

The violins, which are from the High School orchestra, are Elizabeth Scott, Katherine Morris, Sheldon Nichol, Lyndle Conboy and Chester Domke.

S. J. Baxter, Fred Kitner, John Henry and George Craig paid city merchants and friend a call from Woodson yesterday.

Fred Lawson of Manchester transacted business with local merchants Saturday.

A Question Most Often Asked Us

Why Can You Sell Cheaper?

We are asked and answer, this question daily, and for the benefit of those we don't see personally we take this opportunity and means to tell them

"WHY"

—FIRST, remember that this is 1921 and not 1919.
—THEN remember that a merchant buying goods today, or recently, gets the benefit of the tremendous slump in prices that has taken place.

—NOW, we do not own a dollar's worth of merchandise purchased at "wartime prices," nor did we buy "wartime quality."

—WE BOUGHT only merchandise of known and undoubted quality that we cheerfully can recommend to our friends, and as cheerfully stand back of. And, going into business so recently, we benefited by falling wholesale prices.

—AND LAST, we so laid out our store and arranged our stock that our selling expense is reduced to a minimum.

—WE ARE justifiably proud of our new store, and of our ability to "Sell Cheaper"—give our patrons the best for less.

It is well to hear good music.
It is better to play it.

Even though you do not know one note from another
you can enjoy the pleasurable sensation
of being a musician.

THE

Manualo

The Player-Piano That is All But Human
The Instrument You Were Born to Play

requires only the application of the musical feeling
that is born in all of us to play for you as satisfactorily
and sympathetically as it plays for the artist who per-
forms by hand. Your musical wishes instinctively ex-
pressed to its pedals make it respond as fully as if you
were playing upon its keys. Through the Manualo
you enjoy the sensation of really playing a musical
instrument. You never think that you are operating
a machine.

The Manualo satisfies everybody who plays it. Ev-
ery member of your family would enjoy it immensely
from the youngest who can reach the pedals to those
who ordinarily might think themselves too old to play
a musical instrument. Come in and try it and bring
some of your folks to try it too.

Whether you want an inexpensive instrument or the
finest to be had there is a Manualo to meet your re-
quirements. We sell these four famous brands, all
made by the House of Baldwin—the Baldwin Manu-

FARM BUREAU NOTES

Larvae of the Clover Leaf Weevil
As these larvae are now becom-
ing full grown, damage will de-
crease rapidly from now on. The
fungus disease which attacks this
insect is also present in the field
to a considerable extent and tend
to further reduce their numbers.
Where large bare spots are found
in the field, it is practical to drill
soybeans as a hay or foreign crop.
It is also practical to drill in oats
over the thin area and seed rape
as well. We do not advise plow-
ing up these clover fields where it
will break into the regular rota-
tion.

Characteristics of Soybeans
Soybeans will be seeded on
more acres in Illinois during this
season than ever before. This in-
crease will be somewhat more gen-
erally distributed than formerly.
Previous increases were quite
largely confined to "the corn
belt." This year will see soybeans
used through Southern Illinois
and many farmers along the Wis-
consin line are beginning to get
their seed, many of them for their
first crop.

While the soybean is perfectly
capable of giving a good account
of itself under all these conditions
the choice of a variety, especially
the first year, will determine in
large measure whether the grow-
er will be a soybean advocate or
not. There are scores of varieties
and types of soybeans but we need
mention only a few of the more
important ones. The following
varieties are all quite common
and are widely grown in Illinois.
An additional list of less common
but nevertheless important vari-
eties will appear next week.

Early Varieties
Ito San, also known as Medium
Early Yellow, is the most common
and perhaps one of the best early

This variety has short
erect bushy plants which mature
in 100 days. The lower the seed
pods often touch the ground mak-
ing harvesting without loss of
seed difficult. This variety is
adapted to Northern Illinois, also
to Central Illinois, where late
planting is necessary or where an
early maturing bean is wanted for
hogging off with early corn. The
Ito San is too short and weedy and
too woody for a good hay bean.

The A. K. is a widely grown
medium early maturing bean,
which has made an excellent yield
of seed and works well where a
bean is wanted to produce an early
seed crop. This variety works
well where a bean is wanted to
produce a seed crop and yet ma-
ture in time to seed wheat. The
Ito San was too early for this pur-
pose in the central portion of the
state and the Mongol was too late.
The A. K. seems to hold its seed
better than the Ito San, therefore
it is fair as a hay bean. Its stems
only medium size and it produces
an average amount of foliage.

Medium Maturity
The Mongol is the most widely
grown and perhaps, one of the
best all purpose beans available.
This variety is essentially the same
as and is undoubtedly a strain of
the Medium Yellow. Another va-
riety of strain probably from the
same original variety, is the Hol-
lybrook. These strains are all yel-
low seeded, bushy, erect, medium
sized plants, which bear the pods
well up off the ground and hold
the seeds well. These varieties
are excellent for all purposes in
Central and Southern Illinois and
good for hay and silage in the
north sections.

The Ebony, also called the
Black Beauty, is perhaps the most
commonly grown black seeded
bean in the state. This variety
has erect, stout bushy plants that
bear abundant leaves, many
branches and have only medium
sized stems. The yield of seed is
fair, but usually not quite as
much as Mongol. This is an ex-
cellent bean for hay and for pas-
ture, especially where it is to be
pastured off with sheep in the
corn.

The Peking, another black seed-
ed sort, is more commonly grown
in Illinois under the name Sable.
It is also sometimes called Royal.
This has much the same maturity
as the Ebony, but grows taller and
more slender. Plants have a slight
tendency to twine. This variety is
a fair yielder of seed, but its best
use is as hay, silage and pasture
bean.

Ohio 9025 is a selection pro-
duced at the Ohio experiment sta-
tion, which has proven quite val-
uable in Illinois. The seeds vary
from an olive to a cinnamon
brown and are rather large and
quite uniform. This bean gener-
ally matures from two to five days
before the Mongol, producing as a
rule slightly less seed. This vari-
ety is erect, bushy, medium leafy
and has rather coarse woody
stems. The seed is borne well up
off the ground, thus facilitating
harvesting for seed. It is perhaps
best adapted for seed, silage or
pasture.

STORM DAMAGE SURVEY MADE AT WHITE HALL

Effects of Storm Last Monday More Far-Reaching Than First Supposed—No Personal Injuries Reported.

White Hall, April 29.—A survey of the effects of the storm last Monday has been made for the weather bureau, and the summary shows more extensive damage than first reports indicated. On approaching this locality the cloud apparently broke in two parts as it struck the Illinois river bluffs, some nine miles west of White Hall. The smaller section moved northeasterly, damaging barns, outbuildings, trees and wires at Patterson that is estimated at \$3,000. The other section moved more easterly, and did damage immediately north of White Hall that is estimated at \$1,000. The wind operated in squall formation, there being distinguished funnel-shaped apparatus that characterized the tornado that swept a definite path

immediately north of White Hall on May 26, 1917, about 1 p. m. doing its most destructive work at the village of Modesto, Macoupin county.

The storm of last Monday evening seemed to produce varying currents or squalls of air. For instance a stack was blown off the boiler house of the drain tile plant and a small barn wrecked nearby. Some 2,000 yards or more to the north the residence of Donald Strang was partly unroofed and a dozen telephone poles broken off. Intervening property was not damaged. The same rule applies to the work of the storm at Patterson, seven miles northwest of White Hall, where the damage was greater.

A tree was blown onto the house at the farm home of Clarence O. Loran, three and one-half miles southeast of White Hall. No other damage is reported from that section.

There was not a single personal injury and no lightning damage.

WHITE HALL PARENTS AND TEACHERS MEET

White Hall, April 29.—The concluding meeting of the Parent-Teachers' association was held Thursday evening in the high school auditorium, and there was a large attendance. All officers were re-elected as follows: President, T. M. English; secretary, Mrs. Guy Lowenstein; treasurer, W. D. Davis. Robert Hicks gave a reading from Riley, and there was a piano solo by Miss Marie Hanks. The address of the evening was delivered by Rev. Lee A. Hancock, pastor of the Presbyterian church, who had for his subject "Real Education." He argued more from a classified standpoint than the practical, showing that the educated man can more appreciate the leaf than can the uneducated man. He took an attitude of a proper recognition of education, showing the benefits to be derived from a widely diffused pursuit of knowledge.

The local association appreciates the important field of endeavor that is before them, and with continued advancement there will be a better and larger co-operation between the parents and teachers.

CONSERVATORY NOTES

There will be a students' recital next Thursday afternoon, May 5, in Recital hall, at 4 o'clock. The public is cordially invited.

The concert given last Tuesday evening, April 26, by the Illinois College Glee club, was a real artistic success, reflecting credit on the members of the club and their conductor, Mr. Quast. It was attended by an audience of fair proportions, considering the unfavorable weather conditions, and the varied program was highly appreciated.

Messrs. Kritch and Quast, assisted by Miss Virginia Bullard, accompanist, gave a most successful concert in Griggsville on Friday evening, April 29. The audience was an unusually enthusiastic one, demanding many encores. The same members of the faculty will give a similar program in Arenzville next Tuesday evening, May 3, under the auspices of the Junior class of the high school.

At the next meeting of Phi Omega, on May 4, current events will be in charge of Mary Duncombe; there will be piano solos by Misses Esther Duncan and Hilda VanTuyll, and a violin solo by Miss Dorothy Graef. Miss Opal Winn Miller will read a paper on contemporary American composers.

A Private Surgical Hospital

Thru its Public Health Department Says:—

"Delivering the Goods"

Not a day passes that someone doesn't ask us to tell how we built up this great surgical work. The answer is simple and easy: "Delivering the Goods." This institution beginning twelve years ago in a small frame building of six rooms and three beds and one nurse with a determination to see what "Results" will do—has grown to a modern structure of forty rooms, twenty beds and eight nurses, and when the present new addition is completed, we will have sixty-three rooms, forty-one beds. "Results Beat All Arguments." Life is dear to any man, except the man without reason (the fool) and it behooves every one not to give up his life until every possible resource of saving it has been exhausted. Consciousness of this fact has caused us to go further than the average hospital to provide and equip ourselves with every possible means of preventing "Death," hence our lowest "Death Rate" of any surgical institution in the state. We have now set out to beat our own "Record." Now let me say to you whose life is put in danger by diseased parts that should be removed or by suffering not yet mastered, to do as more than three thousand others have done—"beat the path that leads to 323 West Morgan St." This last resort may mean the extension of your life. We are not making this appeal on the account of our social position or racial standing for you would say that it is a pitiful confession of intellectual inferiority on the part of any man, white or black, to appeal to the sympathies and prejudices of his race or social set for professional preferment. But our appeal is based upon the fact that "Results of your work will tell the people more about you than all arguments or biased opinions," for they are cheap. Please remember, cheap things are not good—good things are not cheap; you get about all you pay for. Cultivate your mind to associate the idea of surgical operation with the New Home Sanitarium always.

NEW PUBLIC UTILITIES

LAW IS OUTLINED

Measure Approved By Governor Small Grants Home Rule to Cities.

Springfield, Ill., April 30.—Governor Small's campaign pledge for the repeal of the present Public Utilities Act, the abolishment of the Public Utilities Commission, and the granting of Home Rule finds fulfillment in "An Act Concerning Public Utilities" now before the General Assembly.

The new law, if passed will provide that in case a contract is entered into between the city and a public utility company concerning rates, or service, such contract cannot be set aside or abrogated unless it is set aside by a majority vote of the people residing in such city.

Article VI provides that any city, village, or incorporated town within the State shall have the right of home rule and the regulation and control of the public utilities within such city, village, or town, thru its city council or thru any governmental commission or agency which the city council may establish.

The Home Rule provision may be adopted by such municipality by a majority vote of its citizens. Any city council may submit the question of the adoption of the home rule article to the people of its city, or a petition signed by five per cent of the legal voters of the municipality may cause the question of home rule to be submitted. Likewise any municipality may abandon home rule by an ordinance of its legislative body, which ordinance, must if five per cent of the legal voters of the municipality, be submitted to a referendum of the people before it becomes effective.

Salient Provisions. These salient provisions of the new law, first to repeal the present act, second, protecting contracts from impairment, and third giving municipalities the right of home rule, in the regulation and control of their public utilities, are the outstanding pledges of Governor Small in his campaign last summer and fall.

Any public utilities which are not within the municipality and all public utilities within the municipalities which do not adopt home rule are placed under the jurisdiction of the Illinois Commerce Commission which is created by the bill introduced. The Illinois Commerce Commission consists of seven members who are appointed by the Governor and have terms of four years. In addition to the seven commissioners the bill provides for eight assistant commissioners who may hold hearings or investigations, under the direction of the commission and report to the Commission.

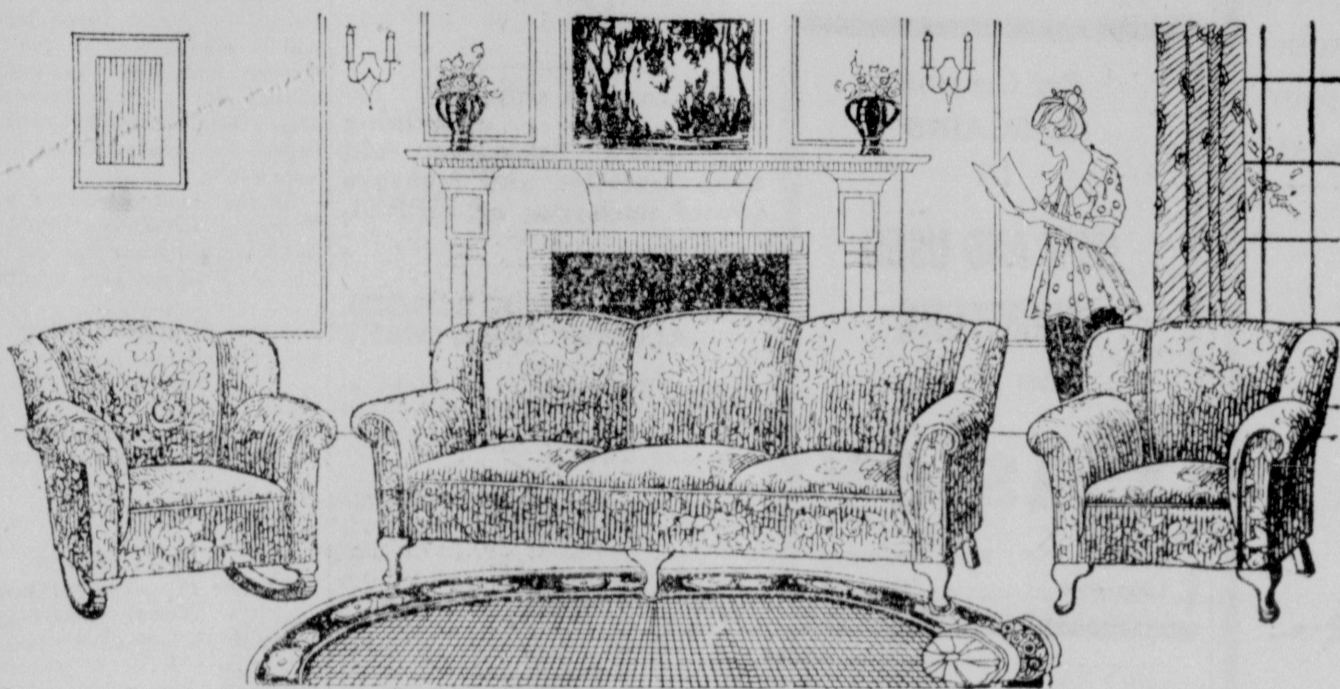

With seven members of the Illinois Commerce Commission and eight assistant commissioners, it was possible to insert in the new bill a provision that the hearings should be had at a place most convenient to the parties to be heard. This provision is designed to make it more convenient for the people of the State to be heard before the commission, or some member thereof, and to a great extent to do away with the necessity of travelling a great distance to be heard.

Appeals from the commerce commission are taken to the circuit court of the county in which the case arises.

The commission, as to utilities under its control and the various municipalities adopting home rule, as to utilities under their respective control, exercise the

ILLINOIS COLLEGE NOTES

John Elder, representing the Student Volunteer Movement, gave a very strong address at the chapel exercises Wednesday morning. Mr. Elder has recently returned from a tour in the Near East. He is a graduate of Washington and Jefferson college, Pennsylvania, and is now completing his senior year at the McCormick Theological seminary. Several students who are interested in missionary work conferred with Mr. Elder during his sojourn at Illinois college.

Many Illinois college people were interested in the recent marriage of Julian H. Capps, '12, to Miss Marjorie Bridgman of Salem, Mass., on Thursday, April 21st.

Professor George N. Stewart, head of the department of physics of the University of Iowa, will visit Illinois college next Wednesday as a representative of the National Research Council. The National Research Council is a committee that was organized during the war in connection with science research and invention to aid in the prosecution of the war. The organization has been continued since the war in order to promote

scientific research in colleges and universities. The head of the council is Vernon Kellogg, well known for his striking articles in the Atlantic Monthly on the German attitude in the war. Professor Stewart is visiting a number of the more important colleges in order to stimulate an interest in the work of the Research Council.

Professor J. G. Ames, Lois Daniels and Franklin Scott went to Virginia Friday morning to judge a contest in declamation at the Virginia High school. The following students from the Conservatory of Music also went to Virginia Friday to judge a contest in music: Blanche Tripp, Alice Lucille Spann and Virginia Spink.

Dean G. H. Scot and Miss Daniels judged a contest in declamation at Winchester Wednesday evening.

Word has recently been received from Robert A. Campbell, '52, formerly lieutenant governor of Missouri, that he may attend the commencement exercises in June. W. D. Wood, '72, recently visited Governor Campbell at his home in Bowling Green.

The State Academy of Science met at Carbondale Friday and Saturday. Professor Isabel S. Smith, head of the department of biology at Illinois college, and Francis Thurmon, '21,

attended the meeting. At this meeting Mr. Thurmon read a paper on "Acidity Curves in Stomach Contents." The paper was prepared under the guidance of Dr. Garm Norbury of the class of 1912.

The Misses Raetzmann, Taylor and McQuiston of the Illinois college faculty went to Carrollton Thursday to act as judges in a contest in music and declamation at the Carrollton High school.

Raye Ragan, '22, and George Drennan, '21, acted as judges in a High school contest in declamation at Petersburg Friday morning.

The Science club met in the College Museum Thursday evening. The program was in charge of Dr. Carl E. Black, '33. Dr. Black gave a lecture on the subject of cancers. An opportunity to ask questions was given the club at the close of the lecture.

The girls of the college are taking a very lively interest in plans for a style show to be given on May 20 at Recital hall. Four prizes will be awarded to those most appropriately attired for the following occasions: School, church and street, afternoon and evening affairs. The students at Wellesley, Vassar and other well known schools have been giving similar entertainments.

Mrs. Harry Ifner of Pittsfield was in the city during the past week visiting her son Jesse. Mr. Ifner is a freshman at Illinois college this year.

S. A. Steers, father of Miss Helen Steers, '24, was a visitor on the campus Thursday.

The material for spring athletics for the girls of the college has been

received and as soon as the weather permits the girls expect to go out for contests in tennis, hockey, baseball and volley ball.

Coach Harmon goes to Virginia on Friday to have charge of the Cass County Athletic meet and will go to Carrollton on May 12 to have charge of the Greene County meet.

Mrs. Edith Painter Kincaid, '16, was in the city during the past week visiting friends.

At the chapel exercises Friday morning W. E. Kritch, director of the Conservatory of Music, entertained the students with several very beautiful selections on the violin.

ILLINOIS WOMAN'S COLLEGE NOTES

Rev. Dr. John W. Hancher and Miss Winnifred Willard were guests at the college for several days this week. Dr. Hancher has been for a number of years the representative of the Board of Education of the Methodist church who specializes in directing financial campaigns for the educational institutions of the Methodist church. He has made a wonderful record in this work. Miss Willard is director of publicity in the special campaign work and has become a valued co-worker of Dr. Hancher. Miss Willard is a former resident of Jacksonville and is a daughter of Rev. J. P. Willard of Denver, Colorado, and is well and favorably known here. They left the college early Thursday morning for Meadville, Pa.

Senator and Mrs. James E. MacMurray of Chicago are guests at the college for a few days. Mr. and Mrs. MacMurray are fine friends of Illinois Woman's college and great joy and enthusiasm was manifest Friday morning when their gift of \$37,000 towards the endowment campaign was made known.

Registrar A. C. Metcalf is out of town for several days in the interest of the college.

On Friday night Robert B. Harshe of the Chicago Art Institute gave a very interesting and instructive lecture on the "Modernists in Art." Mr. Harshe speaks with the authority of one wholly conversant with what is going on in the art world today, and his lecture was suggestive and

stimulating in thought, and appreciative in its understanding of the motivating influence of the modern art movement.

The college has lost a good and faithful friend in the death of Edmund Blackburn. Mr. Blackburn was a member of the board of trustees and was of much help and inspiration to President Harker.

Miss Fonda Mae Jameson had as guests at dinner last evening Mr. and Mrs. Clyde Davis of Waterloo, Iowa. Mrs. Davis before her marriage was Miss Thelma Walker and a former student at I. W. C.

Miss Lois Yant of Indianapolis, Ind., is spending the week end with her sister, Miss Mary Yant.

Miss Maude Craigmites has as week end guests her mother, Mrs. W. H. Craigmites, and sister, Miss Claude Craigmites, of Pleasant Hill.

Miss Myra Kirkpatrick of White Hall is a guest at the college over the week end.

Miss Frances Crowl of Chicago is a guest for several days at the college.

Miss Blanche Seaman of Arthur, Ill., is the guest of Miss Roxy Baker over the week end.

Thousands of Weak Nervous People Have Been "Fooled"

They Took the Wrong Kind of Iron.
Are YOU One of Them? How to Tell.

was talking to a young lady who was very nervous, irritable and rundown—she suffered from shortness of breath, heart palpitation and indigestion—her doctor told her she was anemic—suffering from IRON STARVATION OF THE BLOOD and advised her to take iron.

He told me she tried NUXATED IRON and had not received much benefit—did ARE YOU SURE it was NUXATED IRON—She said yes, that it was small, smooth coated black tablet—I said YOU ARE WRONG—Nuxated Iron is a brown uncoated tablet with the letters N. I. stamped on every tablet—therefore on didn't take Nuxated Iron.

I said Nuxated Iron contains ORGANIC IRON like the iron in YOUR BLOOD and like the iron in a spinach, lentils and apples, which is an entirely different thing from metallic iron which people usually take and which is made merely from the action of strong acids on small pieces of iron. Nuxated Iron is so prepared that it will not injure the delicate digestive system, you can even eat it if you wish.

NUXATED IRON also contains a product which represents the principal chemical constituent of the human body for FLEETING THE NERVES, so that it might be said to be with a BLOOD and a NERVE FOOD. This remarkable nerve force product was brought to the attention of the French Academy of Medicine by the celebrated Dr. Robbe. It not only stimulates worn-out exhausted nerves, but undoubtedly increases the efficiency of the nervous system.

Nuxated Iron also contains powdered nux, an extremely valuable product for toning up the stomach and stimulating digestion, thereby increasing the power of the human system to transform food into blood, living cells and tissues—Without this power nothing you eat does you any good—you do not get the full strength out of it.

The Courts of Justice have done what they said on cases brought before them to protect the public from fraudulent imitations of Nuxated Iron—One Nuxated Iron imitator was ordered to pay \$1,000 damages by a United States court and forever to cease using the words "Nuxated Iron" to deceive the public—Another was sent to prison and given a heavy fine for violation of the criminal law—But the rascals are not all caught yet, so beware of substitute imitations that nobody ever makes imitation or substitutes for "fake" diamonds—it's on the things of real value that are afflicted with imitations.

When, as a result of iron starvation you get up feeling tired in the morning, when you find yourself nervous, irritable and easily upset, when you can no longer do your night work without being all fagged out at night, when you have pains across the back and your face looks pale and drawn, do not wait until you go all pieces and collapse in a state of nervous prostration or until in your weakened condition you contract some serious disease, but take NUXATED IRON at once to help enrich your blood and revitalize your worn-out, exhausted nerve.

Organic Nuxated Iron often increases the body and mental vigor of weak, tired, worn-out, nervous people in two weeks' time.

Beware of substitutes. Always look for the word "Nuxated" on every package and the letters N. I. on every tablet. Your money will be refunded by the manufacturers if you do not obtain perfectly satisfactory results. At all drugists.

NUXATED IRON ENRICHES THE BLOOD—GIVES YOU NEW STRENGTH AND ENERGY

Dr. Milligan will present the anti-tuberculosis work; Miss Arthur and Miss Riecke the Red Cross; Miss Fowler the Social Service League; Miss Ryman Public School Nursing; and Judge Samuel the Juvenile Court. Other appointments for the week are as follows: Monday, Junior Scouts' and Sunday School officers' and teachers' supper; Tuesday, Campfires, Boy Scouts and Women's Missionary societies; Wednesday, mid-week service; Thursday, musical entertainment, under the direction of Mrs. Helen Brown Read.

Salem Evangelical Lutheran church, Rev. J. G. Kuppler, pastor. Fifth Sunday after Easter. Sunday school at 9 o'clock a. m. Confirmation service beginning at 9:45 a. m. A class of nine young people will be examined in Christian doctrine and confirmed. The meeting of the Ladies' Aid has been postponed. There will be no evening service. On Thursday, Ascension Day, there will be services in German at 10 a. m. and in English at 7:30 p. m. A cordial welcome is extended to all.

First Baptist Church. The Sunday School broke the record last Sunday, with 302 present. Make it 350 at 9:30 a. m. on Sunday. "Christ, the Divine Salesman," will be the subject of the morning sermon, delivered by the acting pastor, Rev. A. P. Howells. The traveling men's organization of the city will attend in a body. The hour of morning worship is at 10:45. The Lord's Supper will be observed at the close. Interest in the Baptist mission is growing. The Sunday School hour is at 2:30 p. m. Baptist Young People's Union meets at 6:30 p. m. The subject is, "Thy Kingdom Come In My Country." Evening worship is held at 7:30 p. m. The sermon theme is, "The Man Who Kept It Quiet." Prayer meeting is held on Wednesday at 7:30 p. m. The 5th chapter of John will be discussed. It describes the best method of taking the sun out of Sunday. Bring your Bibles and come.

Pisgah Presbyterian Church, Spring Rally Day tomorrow, May 1. Sunday School at 2:30 and preaching at 3:30, by Rev. Thomas W. Smith.

Brooklyn M. E. church—G. W. Randle, pastor; J. H. Reid, Sunday school superintendent. Sunday school at 9:30 a. m. Public worship at 10:45 a. m. and 7:30 p. m. Morning theme: "Saint Paul's Machine Gun." In the evening a beautiful set of stereopticon slides will be shown representing Jesus Christ as the "Light of the World." Cottage prayer meetings and special meetings preparatory to the revival will be held each evening this week except Thursday and Saturday. The revival proper will begin Sunday, May 8. The services of Mrs. Beulah Tull Coddington have been secured to assist with solo and chorus work.

Grace Methodist Episcopal church—Thomas H. Tull, pastor. At 9:30 a. m. Sunday school. T. V. Hopper, superintendent. At 10:45 morning worship. "The Blessedness of Trusting in God" will be the theme of sermon by the pastor. Baptism will be administered to those recently received into the church who were not baptized last Sunday. At 6:30 p. m. Epworth league. Prof. Webber is announced to lead the meeting. All young people who do not attend elsewhere are invited to attend this meeting. At 7:30 evening worship. The pastor will give the second address in the series on "Battle Winners." The subject for Sunday evening will be "Livingstone, the Missionary." There will be good music by the choir at both morning and evening services. You will be given a cordial welcome. On Thursday, May 5, the Spring meeting of Jacksonville District will be held in Grace church, with afternoon and evening sessions. The afternoon session will begin at 1 o'clock. The ladies of the church will serve a 50c dinner at 6:15 p. m.

Westminster church, corner of Westminster street and West College avenue—Sunday school at 9:30 a. m. Morning worship at 10:45. The topic of the sermon is "Christ's Mastery of the Secret of Success." Mrs. Carl Robinson will take Mrs. Read's place as chorister for the day. She

will sing Gounod's "Oh For a Closer Walk With God." Evening worship at 7:30. Dr. Smith will preach upon "King David in the Dust." Mrs. Robinson will sing Hayden's "There Is a Beautiful Land On High." In the afternoon eight teams of men will canvass the congregation in the interests of the benevolences of the church. The members are requested so far as possible to remain at home in order to receive the teams. At 6:30 the Intermediate C. E. will have for a topic "Thy Kingdom Come in My Country," Isaiah II, 1-4, and Revelations XXI, 10, 22-27. The Young People's society of Christian Endeavor will meet at the same hour and have for a topic "Thy Kingdom Come," Matt VI, 7-15. Leader, Miss Hazel Quick; assistants, Miss Marian Updegraff and Wallace Mitchell. This will be a missionary meeting. On Wednesday evening, May 5, Dr. W. A. Freidinger of Zahleh, Syria, will give an illustrated address upon "Things at Stake in the Cross Roads of the World."

COLLEGE OF MUSIC NOTES

Miss Mehms attended the Illinois Music Teachers Association convention at Springfield this week. She was a guest of Mrs. Clara Moore-Nolms. Mr. Henriot Levy, pianist, under whom Miss Mehms is a graduate, was the piano soloist at the Friday evening concert.

Last Monday afternoon Mr. Pearson's piano, organ and theory pupils tendered him a birthday party in the form of a charming tea. A number of the music faculty were among the guests.

The students' ensemble recital last Monday evening was such a success that the public will no doubt be pleased to know that it will henceforth be an annual affair at the College of Music.

Miss Lula Hay attended a number of the sessions of the Illinois Music Teachers' convention at Springfield.

Saturday afternoon, May 14, the children's department will give its public recital. An interesting feature will be the demonstrations by the primary class and the performance of the "Kitchen Symphony" by

NU-BONE

Corsets are a superb combination of all the desirables without one compromise! There is no sacrifice of style to make way for comfort—no abridgment of comfort to achieve style—no cheapening of quality to meet price. They are the twentieth century answer to the demand for perfection.

Nu-Bone Corsets are made to measure—also kept in stock. Call, write or phone without obligation on your part for information or appointment.

the intermediate theory class under the direction of Miss Mehms. An advance students' recital will be given in Music hall, Thursday, May 5, at 8:15 p. m. Miss Olive Engel will give her organ diploma

recital Monday evening, May 16, at Music hall. To both of these the public is cordially invited. Miss Lila Skinner will play the pipe organ at the First Christian church at the services Sunday.

Miss Miller judged in vocal contest at Roodhouse Friday. Frances Dowling, pupil of Miss Miller, sang a group of songs at Brown's Business college Friday morning.

LEAKY ROOF?

Don't tear it up. Make it Leak-Proof with a one-piece, seamless, nailless coating of **Horneblende Asbestos Fibre Fire-Resisting Liquid Compound**, "The Seal-Proof Barrier." Ready for use. Easy to apply.

Show us the roof—of any description or material—that you would say is beyond repair, and we will show you how, not only to make it Leak and Element Proof, but guarantee longer wear than the original roof.

Horneblende Asbestos Fibre Fire-Resisting Liquid Compound, "The Seal-Proof Barrier," is Not a Paint—Not a Cement. The unequalled, original "No-Coal-Tar" Coating and Preservative for roofs and surfaces of every description. Makes them **Water, Damp, Leak and Air Proof.**

Does Not Corrode Metal (as does Coal Tar Cements) but **Preserves it. Makes New Roofs—Makes Old Roofs New.**

Used and endorsed by the United States Government, the largest Corporations and over a quarter million other customers. That proves its merit. **GET IT TODAY.**

Interesting Jottings Concerning the Doings of the Feminine Sex the World Over

Turkish women are forbidden to appear on the stage. The village of Richmond, Mich., is ruled by women. Women servants in Ireland can be hired for \$180 per year. The National League of Women Voters claims to have 5,000,000 members. The national headgear of the women in Spain is the mantilla of lace.

Princess Mary of England is allowed an annuity of \$30,000 by the British parliament. Eleven women have been certified as being eligible for appointment as members of the Boston police force. Japan's telephone system is badly handicapped by the marriage of a large number of the telephone girls.

Female silk workers in China have been granted an increase in wages for a twelve-hour day of from 20 cents to 30 cents.

A group of eleven women whose combined ages totaled 843 years, registered to vote in the recent election held at Atlanta, Ga.

New York City is to have a club house for Canadian women, who will be enabled to be made welcome when visiting the great metropolis.

Mrs. Harry Payne Whitney should feel highly honored since 27 pieces or groups of her sculpture is now on exhibition in Paris.

Mrs. Francis P. Keyes, wife of United States Senator Keyes, has been conferred the degree of Bachelor of Letters by George Washington University.

In addition to being granted \$1,000 with her divorce decree, Mrs. Helen LaHaye of San Francisco, was also given the custody of her cat.

Mrs. Margaret S. Gray, superintendent of the Bureau of Recreation in Pittsburgh, is the first woman to hold a city position in the Smoky City.

The Prussian minister of justice has directed that women shall not be admitted to the examination qualifying them for the highest offices of the law.

China, Japan, Palestine, Egypt and India all have associations which are affiliated or seeking affiliation with the International Woman Suffrage.

Borneo women smoke cigarettes of their own manufacture from a plant of their own growing—not tobacco, but a rank weed that smells and tastes like cabbage.

Women of the State Teachers' college at Maryville, Mo., have organized an athletic association for the purpose of encouraging all kinds of sports among the girls in the school.

Miss Mary Anderson, head of the woman's bureau of the Department of Labor, came to this country a Swedish immigrant girl twenty-eight years ago. Her first year here was spent as a domestic servant.

Failing to dispose of her stories in the United States, Miss Jane Barr went to England, where she has been acclaimed one of the most successful women novelists that ever came to that country.

Mrs. Sally James Farnham, sculptress of the Bolivar statue, recently unveiled in New York City, never went to an art school, having taught herself after discovering her gift for modeling.

Low caste Japanese women have incredible strength. They draw heavy wagons, work in the deep mud of the rice fields, row heavy boats and coal ships, always with the inevitable baby strapped to their backs.

Norwegian women have a daily newspaper of their own and which no man can have anything to do with issuing of the sheet. The money to start the paper was left for that purpose by a wealthy woman.

Miss Fortense S. Stollnitz, of New York City, holds the title of world's champion girl typist. She is only 21 years of age and recently set a new record when she manipulated the keys to the extent of 9,544 words in one hour.

Miss Minnie A. Buzbee, advertising manager of the American Bank of Commerce at Little Rock, Ark., recently won the prize offered by the Arkansas Bankers' association for the best series of six display advertisements covering the relation of the bank to the public.

During the past year there were 87,457 women employed by the railroads in the United States. This is only 151 less than the total number employed in the previous year. More than 1,300 of them were doing shop work while the balance were employed in clerical and semi-clerical positions.

IT'S NOT A 1921 HOME IF YOU HAVE AN 1891 BASEMENT

Is your basement equipped with modern, sanitary laundry tubs, hot and cold running water, and a drainage system that keeps it dry?

A well equipped laundry means less work for the housewife or laundress and better health for the entire household.

PITTSBURGH POST
USES WIRELESS TELEPHONE
Pittsburgh, April 30.—(By The A. P.)—Unique in the annals of journalism and newspaper enterprise was the achievement recently of the Pittsburgh Post which reported by wireless telephone the flight of Jonny Ray, of Pittsburgh, and Johnny Dundee, of New York, lightweights instantaneous news service of the fight, round by round and blow by blow was given by the Post reporter at the ringside, enabling the paper to have an extra on the streets a few minutes after the last gong sounded. Reports from all over the country indicate that wireless telephone operators were treated to the action of the ring battle with all the realism of each blow and

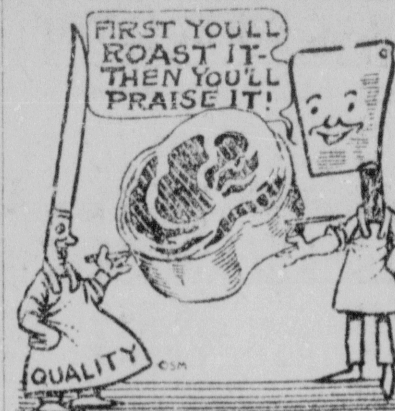

each bit of ring strategy enacted as instant it occurred. An Associated Press dispatch from Hartford, Conn., stated that the Dundee-Ray boxing match, was "heard" in Hartford. "A wireless telephone brought the sounds of the conflict, the clang of the gong and the shouts of the fans to a group of wireless enthusiasts assembled at a private radio station," the dispatch said. Murray Percy Maxim, the wireless expert was present.
